National Anthem

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee,
O Canada, we stand on guard for thee.

Hymne National

O Canada! Terre de nos aieux,
Ton front est ceint de fleurons glorieux!
Car ton bras sait porter l'épée,
Il sait porter la croix!
Ton histoire est une épopée
Des plus brillants exploits.
Et ta valeur, de foi trempée,
Protégera nos foyers et nos droits,
Protégera nos foyers et nos droits.

Royal Anthem

God save our gracious Queen
Long live our noble Queen
God save the Queen

Send her victorious
Happy and glorious
Long to reign over us
God save the Queen.

The Presentation

The Dean of the Faculty of Graduate Studies and Research asks the candidates for degrees to rise, and presents them with these words:

"Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

The Pledge

The President then addresses the candidates in these words:

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honor of your University, the encouragement of learning and the good of your country?"

Each candidate replies: "These things I pledge myself to do."

The Admission

The Chancellor then addresses the candidates in these words:

"By virtue of the authority vested in me by the Legislature of this Province, and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights and privileges pertaining to such degrees, and I charge you to use them for the Glory of God and the honor of your country."

Honorary Degree Recipient

June Callwood, a columnist with *The Globe and Mail*, has been involved in journalism for the past 47 years. She has contributed some 300 articles to such magazines as *Maclean's* and *Chatelaine*, been a reporter for *The Globe and Mail*, authored 22 books and been a frequent commentator for CBC radio and television.

Ms Callwood was a founding member of such professional organizations as the Writer's Union of Canada, Writers' Development Trust and the Periodical Writers' Association of Canada.

Never reluctant to lend more than her name to a cause, Ms Callwood has, at various times, led the Canadian Civil Liberties Association, Justice for Children, Women for Political Action, Hospice Steering Committee for the AIDS Committee of Toronto, Canadian Organization for the Rights of Prostitutes, Feminists Against Censorship, and the National Advisory Committee on the Battered Child.

The Senate is donating a volume to the Bruce Peel Special Collections Library to commemorate the awarding of the honorary degree to June Callwood.

Academic Standing

Degrees with Distinction

The general University provision is that, at the discretion of the faculty concerned, the notation "With Distinction" is inscribed on the permanent record and graduation parchment of a candidate for any degree (except an honors or graduate degree), if the candidate has obtained a grade-point average of 7.5 or higher over the last two years of the program.

Degrees with Honors

Degrees with Honors are awarded in two classes, First Class Honors and Honors, to students in the Faculties of Arts or Science with approved qualifications, who follow a more concentrated course of study in a special field under departmental supervision and in accordance with the requirements of the faculty and department.

Congratulations from the Faculty and Staff

Universities began as small collections of scholars who worked together to preserve and advance knowledge. Students came to study with them and, in due course, an administrative structure arose to provide system and recognition for those studies. This ancient structure is preserved at the University of Alberta, with the Faculty and the Students providing the core of the University's purpose, teaching and the advancement of knowledge. The Faculty's task is facilitated by their colleagues in the Academic Staff, the Faculty Service Officers, the Administrative Professional Officers and the Librarians, and the University's dedicated support staff.

The Faculty, numbering some 1,600, is responsible for creating programs of study, for teaching and for evaluating the learning of the student body, both undergraduate and graduate. In addition, Faculty members are responsible for the scholarly reputation of the University by preserving and sharing knowledge and by pursuing new ideas and knowledge through their research.

The Faculty and Staff congratulate you, the graduands, on the successful completion of your present studies which is recognized by the degrees to which you are admitted today. Your achievement deserves praise. We hope your present knowledge provides a sound base for an education which will continue throughout a rewarding life. We would remind you of the advice given to graduands by Dr. Tommy Banks: "Try to be a good person. You will be amazed how rewarding it is."

University Mace

The University of Alberta Mace was designed and crafted specifically for the University as a gift from Dr Francis Phillip Galbraith, Chancellor of the University of Alberta from 1964 - 1970. It was presented by his son, Michael Galbraith, on behalf of his father on May 26, 1970.

Among its elements: the Star of Saint Thomas Aquinas, the Patron Saint of Scholars; the Wild Rose of Alberta; the Maple Leaf; and the separate charges which make up the University's Coat of Arms. The University motto "Quaecumque Vera" ("whatsoever things are true" Phil 4:8) encircles the staff. The Mace is made of sterling silver which was rhodium plated after the insertion of the various enamelled shields which make up its elements. A special electro-plate process was used to apply 24 carat gold to other parts of the Mace.

It was intended that the Mace should be modern in appearance but with medieval origins. The preponderance of visual weight at the top of the staff and the rather complex section through the metalwork at this point are reminiscent of the use of the mace as a weapon, defensive or aggressive.

The Mace is carried before the Chancellor, or Vice-Chancellor, in procession and rests on its stand in full view of the assembly during Convocation. Centuries ago the Mace was a symbol of authority over life and death. Today it represents power — but the power of knowledge and the importance of the University in the community.

University Ceremonial Chairs

The Chancellor's Chair was presented to the University of Alberta as a gift from the 1922 graduating class. It is made of solid oak with a padded leather back and seat. Above the padded leather back is carved the University motto "Quaecumque Vera" together with the class year, 1922, and the University coat-of-arms.

In 1987, the family and friends of Dr Charles Malcolm Macleod, Chairman of the Board of Governors from 1950 to 1966, presented a memorial gift to the University of an oak stand for the University of Alberta Mace and two additional chairs for use by the President and the Chairman of the Board of Governors at Convocation.

Academic Dress

The tradition of academic dress dates back to the early fourteenth century. Its origins seem to have been mainly ecclesiastical but partly functional. Since the early institutions of higher learning in England were run by and for the members of religious orders, clerical discipline prevailed, and tonsured heads and clerical garb were required. However, it is probable that long woolen gowns were considered necessary in any case to shield medieval scholars from the dampness and cold of the unheated buildings and that hoods were used to provide warmth to their shaven heads.

The hoods or cowls of monastic orders, which in warm weather could be thrown back to fall between the shoulders, were superseded as headdress by the ecclesiastical calotte or skull cap, but were retained as a sort of cape. After the Reformation the clerical skull cap was replaced by the academic "round cap", a circular, velvet bonnet, which is still prescribed for higher degrees by a number of universities. The mortar board, the hard, square cap that is so commonly used as academic headdress today, evolved from the softer, more flexible "square cap" that was introduced in England in about 1490.

From these early beginnings a code of academic dress gradually evolved. Colours were introduced in the borders and linings of the hoods to distinguish between degrees in different fields of study, and a variety of patterns of both gowns and hoods was developed to distinguish between different levels of degrees.

Academic dress at the University of Alberta conforms to the customary Cambridge shape (a gown of black material falling below the knee with full sleeves cut to the elbow and terminating in a point). Hoods are of the Oxford pattern of spruce green material with a border for bachelors, and a full lining for masters and doctors of medicine and dental surgery, of the colour distinctive of the faculty.

Doctor's gowns and hoods (PhD and EdD) conform to the Intercollegiate Code in shape, size and colour, with velvet trim on the sleeves in either Philosophy blue for the PhD, or Education light blue for the EdD on a black gown. Doctor's of Laws wear a full-dress scarlet robe faced with white silk.

Doctor's hoods are of black material to match the gown, and a full lining is of gold satin with a six-inch green satin chevron. The velvet trim distinguishes the two degrees and matches the velvet trim on the gown.

Honorary degree hoods (LLD, DLitt and DSc) are of scarlet in the Cambridge form and have a full lining of white silk.

The President of the University wears a green gown faced with gold braid trim and lining and a green mortar board with a gold tassel. The Chancellor and Chancellors Emeriti wear gowns of teal blue with silver trim and velvet mortar boards with silver tassels; the Chairman of the Board of Governors' gown is black with gold-braid trim and the mortar board has a gold tassel. The gowns of the three senior officials bear an embroidered crest of the University.

University Governors and Senators wear stoles bearing the crest of the University over their gowns, gold faced for Governors and green faced for Senators. The University Registrar wears a green gown with gold trim on the sleeves.

The University gratefully acknowledges the generous financial contribution made by the Alma Mater Fund which made possible the purchase of additional academic hoods in 1987.

University of Alberta Alumni Association

An Invitation to the Graduates

The University of Alberta Alumni Association welcomes you to the University's world-wide alumni family and invites you to participate in the Association's programs and activities.

The Alumni Association was formed in 1915 to promote the interests of the University and its graduates. The Association has a general office located in Athabasca Hall on campus, and branches exist in many Canadian centres and in a variety of locations abroad. In addition, constituent societies promote the special interests of graduates in a number of professions.

The Alumni branches around the globe provide welcome social and career contacts to the graduate moving to a new area, and new branches are being formed all the time. If there is a branch in the city where you will be establishing roots, be sure to contact the representative listed below. If there is not, contact the Office of Alumni Affairs to see if there are plans for one. You might like to help get it started.

For further information about the Alumni Association, contact the Office of Alumni Affairs or a branch representative. The Association welcomes your participation and encourages you to take advantage of the many benefits available to alumni.

4. PRESENTATION TO THE CHANCELLOR

Graduands are presented to the Chancellor in the order in which their names appear in the Convocation program and therefore you will be seated in the Auditorium in that same order. Persons seated in the LEFT section will proceed to the platform first, followed by those in the LEFT CENTRE section, the CENTRE section, the RIGHT CENTRE section, and the RIGHT SECTION. A staff Marshal will control the row by row movement of graduands leaving each section by the aisle to their left.

You will proceed up the steps to the back of the stage on the LEFT side of the platform (see Figure 1 below). A Graduand Marshal at the back of the stage will direct you down the centre aisle between the two sections of the Platform Party to the position where your Dean will be waiting by a microphone to present you to the Chancellor. As you arrive at this position, you should hand your name card to the Dean and move through the gap in the front row as soon as your Dean BEGINS to announce your name.

Ph.D., Ed.D, and D.Mus. students, proceed to the stage with your hood draped over your right arm, and your mortar board in your left hand. As the Associate Dean reads your name, step forward to the front of the stage. Give your hood to the Dean who will be standing there. As you turn to the centre of the stage to shake the Chancellor's hand, the Dean will drape the hood over your head and onto your shoulders. Mortar boards should not be donned until you return to your seat.

Master's graduands will wear their hoods and mortar boards onto the stage and shake hands with the Chancellor.

All other graduands will wear their hoods and mortar boards onto the stage and will stand in front of the Chancellor, who remains seated. You should place your hands together, palms touching. The Chancellor will put a hand on either side of your hands, grant you admission, and then remove his hands. You should bow when offering your hands to the Chancellor.

Once you have been presented to the Chancellor, leave the platform by crossing in front of the Platform Party and proceeding down the west stairs, returning to your seat (see Figure 2 below).
